EXAMINER'S COMMENT

This Office Action is responsive to the applicants' amendment filed on September 28, 2004.

Claims 1 and 7 have been amended. Overall, claims 1-10 are pending in this application.

Applicant's cooperation in correcting the informalities in the drawing and specification are appreciated.

Authorization for this examiner's amendment was given in a telephone interview with Mr. John Orange (Reg. No. 29, 725) on December 17, 2004. During telephone conversation with Mr. Orange, an agreement was reached to amend claim 1. The application has been amended as follows:

Claims

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

- Claim 1, line 8, --the oppositely directed surfaces of-- has been inserted after "between".
- Claim 1, line 10, "fluid under pressure between said faces" has been changed to --fluid under pressure between said sealing face and said end faces of said gear teeth--.

Allowable Subject Matter

Claims 1-10 are allowed.

The following is an examiner's statement of reasons for allowance: as pointed out by applicant on page 8 in applicant's amendment, the cited references fail to disclose or render

Art Unit: 3748

obvious the claimed combination including the bearings having a sealing face overlying the end faces of the gears and biasing into engagement with the faces of the gears by the pressure compensating seal located between the oppositely directed surfaces of the bearing and the housing, the sealing face having a channel being between the sealing face and the end faces of the gear to introduced fluid pressure between the faces.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Communication

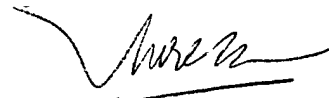

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Theresa Trieu whose telephone number is 571-272-4868. The examiner can normally be reached on Monday-Friday 8:30am- 5:00pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Thomas E Denion can be reached on 571-272-4859. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Art Unit: 3748

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
